- **Reserve your spot by Wed. July 15!**

Arguably the most important event in America's history, the four years of civil war extracted an immeasurable toll on our nation. To help us all better understand and appreciate this harrowing and turbulent time, the museum hosts one of the largest and most comprehensive Civil War reenactment events in New York State. In addition to the many military themed activities during the weekend, the museum will also present several vignettes that pay homage to the 200th anniversary of the birth of Abraham Lincoln, as well as musical & theatrical presentations from the Civil War era.

Any questions and to reserve tickets contact Jane Sweetland at 352-8218 or jesny@frontiernet.net by Wednesday, July 15.
