

# What to buy for your new Tiger, Wolf or Bear Cub Scout (Use this list if your son is in 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> grade)

## Uniform

Your cub will need a blue Cub Scout uniform and the patches that go on it. A uniform inspection sheet shows where the patches go can be found on our website. Uniforms may be purchased at the Scout Shop (at the council office on East Avenue – see back). The choice of long or short sleeve is yours. We wear our pack t-shirts in the summer but those that attend Cub Adventure Camp need to wear their uniforms to dinner. Many of the boys have a short-sleeved shirt and just wear a long-sleeved t-shirt or thermal shirt underneath in the winter. We recommend that you buy a shirt that's a little big so your son gets at least two or three years wear out of it (in 4<sup>th</sup> grade, he can wear this blue shirt still or change to the tan boy scout shirt as a Webelos scout). Your son will also want a blue Cub Scout belt so he can wear any belt loops he earns.

Short Sleeve	\$22.99
Long Sleeve	\$26.99
Belt	\$3.99 - 7.99
